Directions from M50
 Head for the Blanchardstown exit and take the Navan Road (N3) heading west. From the dual carriageway (N3) take the second of the two exits for the Blanchardstown Centre, staying on the right-hand side. At the roundabout take the third exit, which brings you back over the N3 and in a north - north easterly direction away from the Blanchardstown Centre. Go straight through the next roundabout. Continue on the Blanchardstown Road North for approx 2.5 miles
 At second last round about with Texaco Garage, go straight on (second exit, road narrows). Last roundabout you encounter, with Hyundai Garage on far left side, take the third and last exit. After 200 yards on your right you'll find the entrance to the Northwest Business Park (Note on Saturday you'll need to continue and take the 2nd entrance). Through the barrier and straight ahead for approx 300 yards. Directly ahead of you you'll see a sign for 'Magnum' drive in through the green gates to the left of this sign and into the Northwest Business Centre. Drive down to the back of the three cream and green buildings. You'll find Mactivate in the middle block.
